"तुम वहाँ बहुत मज़े करोगे," माँ ने कहा, "वहाँ तुम्हें बहुत से दोस्त मिलेंगे, अच्छे-अच्छे खेल खेलोगे, गाना गाओगे, खाना खाओगे और फिर शाम को वापस घर आओगे।"

"हथ्थी आओ," प्रणव ने अपने हाथी को उठाया, "हम स्कूल जा रहे हैं!!" "हथ्थी तुम्हारे साथ स्कूल नहीं जाएगा" माँ ने कहा।

"वह मेरे साथ स्कूल क्यों नहीं जा सकता" प्रणव ने पूछा। "वह घर पर ही रहेगा," माँ ने कहा।

"और मेरा कुता, मछली, मेरी गुड़िया और मेरी शेर वाली किताब?" प्रणव ने पूछा। "वे सब घर में रहेंगे।" प्रणव की माँ ने कहा।

"पर प्रणव स्कूल में तो तुम्हें बहुत मज़ा आएगा," माँ ने कहा, "तुम्हें वहाँ बहुत से दोस्त मिलेंगे, खूब सारे खिलौने और"

"पर माँ मैं तुम्हें, हथ्थी को और बन्दर को छोड़कर नहीं जाऊँगा!" प्रणव ने दुखी होकर कहा।

"पर प्रणव जब तुम स्कूल से आओगे, तो हम सब यहीं मिलेंगे!"

"सब??" प्रणव ने पूछा।
"हाँ, हम सब," प्रणव की माँ बोली

"तुम्हारा हाथी, बन्दर, मैं, तुम्हारा कुत्ता, तुम्हारी गुड़िया, और तुम्हारी सब किताबें! तुम्हारा झूला और तुम्हारी वह लाल साइकिल!"

The World of Pranav

How Pranav Went to School

"Wake up," Pranav's mother said to him one day, "wake up. You are going to school today!"

"School?" Pranav asked, "What will I do there?"

"You will have great fun in school," Pranav's mother told him. "You will meet other children and play nice games and sing songs. Then you will eat lunch and then come home in the evening."

"Come on Hatti," Pranav picked up his elephant, "We are going to school!"

"Hatti won't go to school with you," Pranav's mother told him.

"Why can't he go with me?" Pranav asked.

"He will stay here - at home," Pranav's mother said.

"And Monkey?" Pranav asked.

"Monkey will stay at home too," Pranav's mother said.

"And my doggy and fish and doll... and my Lion King book?" Pranav asked.

"They will all stay at home," Pranav's mother said.

"And you?" Pranav asked in a small voice.

"I'll stay at home too," Pranav's mother said. "And I'll look after Hatti and Monkey and doll and your books!"

"I don't want to go to school!" Pranav said, "I don't want to leave you all at home and go!"

"Please!" Pranav begged his mother, "Please let me stay at home!"

"But you will have fun at school," Pranav's mother said, "There will be lots of other children there and new toys and..."

"But I don't want to leave you and Hatti and Monkey and go!" Pranav wailed.

"But Pranav," Pranav's mother said, "when you come back from school we will all be here!"

"All of you?" Pranav asked.

"All of us," Pranav's mother said, "Hatti and Monkey! Me and your doggy and your doll and all your books! And your swing and your red cycle!"

"Then," Pranav said, "I will go to school!"

"That is good!" Pranav's mother smiled.

"I will go," Pranav said, "so that I can come back!" Pranav grinned.

Edenya

Eklavya, a non-governmental registered society, has been working in the fields of education and peoples' science since its inception in 1982.

Eklavye's main aim is to develop educational practices and materials that are related to a child's environment, and are based on play, activities and creative learning. In the course of our work in this area, we have discovered that efforts in schools can become effective only when children also get opportunities for creative learning in the time and space outside school. Books and magazines, and other teaching aids are essential parts of such inputs.

In the past few years Eldavya has extended its area of work to include publishing. We regularly bring out the following periodicals: Chakmak, a monthly science magazine for children; Srote, a science and tectnology news feature; and Sandarbh, a bimonthly on education. In addition to titles on education and popular science and creative activity books for children, we develop and publish books on wider issues of development.
